

THE ABORTION SURGE & THE VANISHING CRADLE:

THE UNSPOKEN CRISIS

“My people perish for lack of knowledge” (Hosea 4:6). Abortion is hushed as “too political,” yet silence is complicity. It is not just the ending of a life; it is the fracturing of a nation’s soul.

Scripture is crystal clear

- “Before I formed you in the womb I knew you” (Jer 1:5)
- “You knit me together in my mother’s womb” (Ps 139:13)
- Harm to the unborn carries the same penalty as murder (Ex 21:22-25)
- John the Baptist leaps for joy in Elizabeth’s womb (Luke 1:41)

THE BIBLE;

never needs to say “do not abort”; the sanctity of the child in the womb is assumed from Genesis to Revelation.

Theological truth Abortion is moral evil and spiritual cancer. Every procedure is a visible sin and an invisible wound that tears the image of God from our culture, numbs consciences, invites demonic oppression, and stores up divine judgment. “Your iniquities have made a separation between you and your God” (Isa 59:2). Spiritual residue Grief that never fully leaves, hardened hearts, lost maternal instinct, generational trauma, a counterfeit liturgy of death celebrated in law and media. This is apostasy wearing the mask of “rights.”

OUR RESPONSE

1. Repent, pray, and fast (Matt 17:21)
2. Speak the truth in love, without apology
3. Engage civically and spiritually
4. Offer Christ’s healing to the wounded: “Neither do I condemn you; go and sin no more” (John 8:11)

The unborn have no voice but ours.
